We share your concerns about hygiene and health. Our colleagues are doing everything they can to ensure that food production is undertaken in safe and hygienic conditions. Our central kitchen has been totally deep cleaned and is maintaining the highest standard of hygiene.

To make sure this happens – this is what we are doing:

- Temperature screening for all employees and visitors to our central kitchen
- Enforcing travel and health declaration for all employees and visitors
- Intensified cleaning regime
- Gloves and face masks are worn by all staff
- Delivery transportation is guaranteed to be clean and fast to avoid spoilage
